

A photograph of the University of North Carolina (UNC) building, a large neoclassical structure with a prominent dome. The scene is set on a sunny day with a clear blue sky. In the foreground, a large tree with bare branches stands to the right, and a paved walkway leads from the left. Numerous students are gathered on the grassy lawn in front of the building, some sitting and others walking. The image is decorated with stylized autumn leaves in shades of orange, yellow, and red, some with small pink berries, framing the top and bottom edges.
